

# 2025-2026 Leadership Application

Students are the heart of Oak Valley and raising their spirits is our first priority!

The leadership classes of OV are searching for students up to the challenge of ensuring Oak Valley continues to be a place where students thrive!

- **ASB** is a year-long elective class to focus on leadership skills, planning school-wide activities, and working on community and philanthropic outreach. We seek energetic, creative, hard-working students who can commit to numerous after-school events and activities and have a passion for involving and inspiring others.
- **Belong Crew** is looking for kids who want to be a part of the team that creates belonging on campus! As a member of the Belong Crew, you are a critical part of our 6th-grade orientation to help new students create their sense of belonging, and as a member of the Belong Crew Connections class, you will participate in several activities throughout the year that help bring students together.
- **Oak Valley Peer Mentors** is a connections class designed for leaders who can inspire others through relationships. Students will work with other students and help with organization, time management, and social skills.

If you are interested in applying for a leadership class, please follow the steps below!

### **Parent Permission:**

I will support my child in their leadership role and understand that their commitments, activities, and roles will depend on the leadership class offered. I will support my child by giving encouragement and providing transportation to and from activities and training as needed. I understand that ASB is a year-long elective and that students are oftentimes required to plan and run after-school and evening events, and that Belong Crew and Peer Mentors is a Connections class that meets daily.
