

# OAK VALLEY MIDDLE SCHOOL

## BACK TO SCHOOL NIGHT

**SEPTEMBER 4, 2024 • 5:30 PM – 7:35 PM**

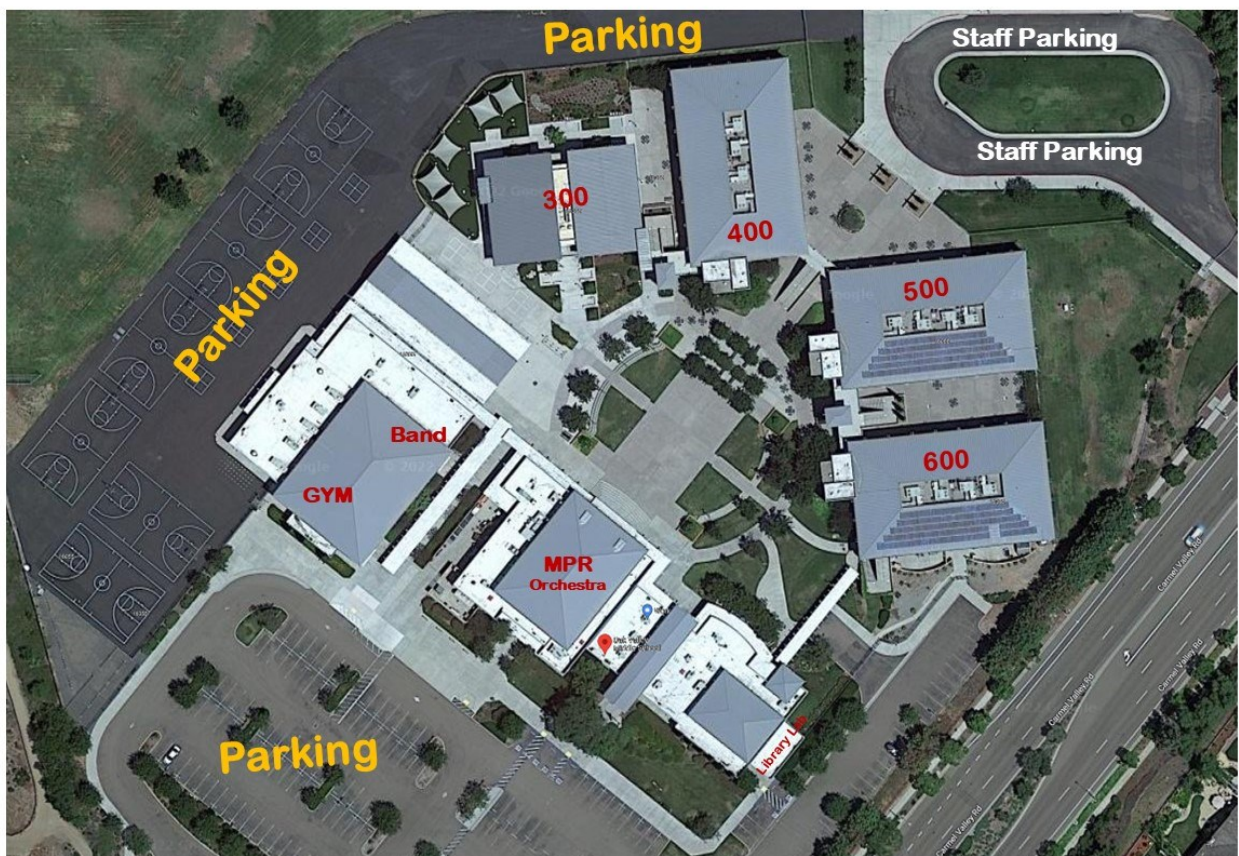

Have you ever wondered what a day in the life of a middle school student is like? You are in luck! On the evening of Wednesday, September 4, 2024, you will have the opportunity to follow your student's schedule and meet their teachers. To prepare for the evening you will need to:

- Use the template on the other side to fill in your child's classes & room numbers and bring it with you.
- Contact at least two other families to arrange your carpool for the evening (see parking).
- Set up child care for the night. This is a parent only event, we request that your child not attend.

\*\* Please note that parking is very limited. The main parking lot and the blacktop will be open for parking, however, once full, you may need to walk from streets in the surrounding neighborhood. Carpooling and/or using a car ride service is strongly encouraged. Please be mindful of parking rules in the neighboring community. The bus loop will be reserved for staff parking only.\*\*\*

The evening begins at 5:30pm with a welcome from the Principal and Foundation in the main quad. You will then make your way to your student's 1<sup>st</sup> period class. Every ten minutes a bell will ring and you will have a five minute passing period to make it to the next class. Teachers will discuss expectations, grading, and give you a sample of what it is like to be in their class. Please note that all PE classes will meet in the GYM.

As you move through the schedule, you will notice that period 5 and 6 classes are the same. That is because this class is our homeroom called Connections and it is the only class that students attend every day.
